

PRESS RELEASE

IDEX Istanbul 2026 Brings the Technologies That Make the World Smile Back to the Industry!

One of the largest global gatherings in the dental sector, **IDEX Istanbul** will once again open its doors at the **Istanbul Expo Center from April 15 to 18, 2026**. Following its 2025 success — where it brought together 98,595 professionals from over 135 countries — IDEX Istanbul has solidified its position as the largest dental exhibition in the region and the **second largest in the world**, aiming to raise the bar even higher in 2026.

Spanning **60,000 square meters** across **six expansive halls**, the exhibition is expected to host **over 100,000 dental professionals** from across **four continents** — from Europe to Asia, and the Middle East to Africa. With international visitors projected to make up more than **35%** of total attendees, IDEX Istanbul 2026 offers a unique platform for companies in the dental industry to establish a global network of business opportunities.

IDEX Istanbul 2026 will showcase groundbreaking innovations that are shaping the future of dental technology — from AI-powered clinical systems, CAD/CAM and digital manufacturing solutions, to biocompatible and eco-friendly materials, 3D printing and imaging technologies, and robotic and automation-assisted applications. More than **750 leading dental companies** and over **7,000 brands** will present their latest products and solutions throughout the event.

The exhibition will also feature an extensive program of knowledge-sharing events, including **conferences with over 150 expert speakers**, **hands-on workshops**, and **live demonstrations**. SDE-accredited training sessions and **interactive panels** will offer valuable opportunities for professional development.

Through IDEX Istanbul, participants will gain direct access to the latest trends in the industry, foster new collaborations, guide their investment strategies, and connect directly with manufacturers. Just like in previous years, the event will foster international relationships that lay the groundwork for lasting industry partnerships.

As a hub for **innovative ideas** and **sustainable solutions** in the dental field, **IDEX Istanbul 2026** offers participants a front-row seat at the heart of innovation, investment, and collaboration.

Everything you're looking for in the world of oral and dental health is at IDEX Istanbul 2026...
